Arnold Schwarzenegger  
Governor

September 17, 2004

Dear Sir or Madam:

The California Air Resources Board (ARB) invites you to participate in a public workshop to solicit comments on potential modifications to the gasoline cargo tank vapor recovery program. The time and place for the workshop are as follows:

**DATE:** October 5, 2004  
**TIME:** 10:00 a.m. to 4:00 p.m.  
**PLACE:** Stanislaus County AG Commissioner Office  
3800 Cornucopia Way  
Halls D & E  
Modesto, CA 95355  
(209) 525-4730

This workshop will discuss proposed revisions to the current gasoline cargo tank vapor recovery requirements, which may involve new or modified performance specifications for components and changes to the certification process. The workshop will include a presentation by staff regarding volatile organic compound (VOC) emissions from cargo tanks during fuel delivery cycles, cargo tank hoses, cargo tank degassing operations and tester certification. Information regarding this workshop will be accessible at [www.arb.ca.gov/enf/cargotanks/cargotanks.htm](http://www.arb.ca.gov/enf/cargotanks/cargotanks.htm).

The meeting facility is accessible to persons with disabilities. If accommodations are needed, please contact Mr. Brad de la Cruz at (209) 525-4730.

If you cannot attend and would like to provide comments, or if you have questions regarding this workshop, please contact Paul Thalken at (916) 445-9499, or via e-mail at [pthalken@arb.ca.gov](mailto:pthalken@arb.ca.gov).

Sincerely,

Manjit Ahuja, Chief  
Stationary Source Testing Branch  
Monitoring and Laboratory Division
